

PSILOS GROUP MANAGERS

Jeffrey Krauss
Managing Member

Mr. Krauss joined Psiilos in March 2000 with a focus on investments in the healthcare services, healthcare information technology, and medical technology segments. He currently serves on the Boards of SpineMatrix (Chairman), SmartPill (Chairman), HealthEdge and OneShield. Profitably exited Psiilos investments include Versamed, Valera Pharmaceuticals and Cohesive Technologies.

Prior to joining Psiilos, Mr. Krauss was a general partner at Nazem & Company, a New York-based venture capital firm, from 1990 to 2000, where he specialized in investments in healthcare services companies (such as APS Healthcare, a specialized managed care and disease management company) and healthcare information technology (such as Avicenna Systems, a next-generation transaction processing system sold to WebMD). Prior to joining Nazem & Company, Mr. Krauss was an attorney with the law firm of Simpson, Thacher & Bartlett, where he specialized in private equity transactions and worked extensively on transactions originated by KKR. Prior to that, Mr. Krauss was an auditor with the accounting firm of Ernst & Young. Mr. Krauss is currently a volunteer with the New York City Investment Fund, a civic venture capital firm, where he performs various services for the Fund, including representing the Fund on the Boards of several portfolio companies. One such company, Royal Healthcare, is currently the Fund's most profitable exited investment.

Mr. Krauss graduated magna cum laude with a Bachelor of Science degree in Accounting from the State University of New York at Albany and graduated cum laude with a Juris Doctor degree from Harvard Law School. Mr. Krauss is a Certified Public Accountant, licensed in the State of New York, and an attorney, also licensed in the State of New York.
